

Alexandria Gazette.

WEDNESDAY EVENING, JULY 5, 1882.

LOCAL MATTERS.

WEATHER PROBABILITIES, July 5, 1882.
For the Middle Atlantic States, local rains, followed by clearing weather, northwesterly winds, stationary or higher temperature and higher barometer.

POLICEMEN SMITH AND HAYES REIN-STATE.—Mayor Beckham, in compliance with the request contained in a petition signed by about two hundred business men and prominent citizens, yesterday reinstated officers James Smith and Thomas Hayes to their positions on the police force, from which they were suspended by him last week for a violation of the police regulations. In a letter to Mr. W. F. Creighton, who presented the petition, the Mayor says: "Your favor of July 3d asking me to reinstate Police Officers James Smith and Thomas Hayes, suspended by me for fifteen and thirty days, has been received. These officers are good and efficient men, and no doubt regret as much as I do the cause which led to their suspension. * * * Yet I felt that it was necessary for me to suspend them that discipline might be enforced with the police force. In compliance, however, with the wishes of so many of my fellow citizens I will reinstate them to date from July 5th."

THE EXCURSIONS YESTERDAY.—The threatening weather of yesterday morning did not deter large numbers of people from going on the different excursions leaving here. The Jane Mosely, for Lower Cedar Point, and the Arrowsmith, for Piney Point, had large crowds. The Alexandria Reform Club also had a good crowd on its excursion to Carlin's Springs. There was an exciting race between the steamers Arrowsmith and Jane Mosely on their down trips. The Mosely followed the Arrowsmith closely for some time, but finally succeeded in passing her. There was considerable cheering and waving of handkerchiefs on both boats. The Arrowsmith left a number of persons, including Mr. J. M. Hill, the manager of the excursion, at Piney Point, which action on the part of the Captain caused much unfavorable comment. The "left" excursionists returned home this morning on the Lady of the Lake.

THE SECOND WARD MEETING.—A meeting of the conservative voters of the Second ward was held at the old Sun engine house hall Monday night for the purpose of nominating a candidate for the Common Council to be voted for at the special election to be held in that ward to-morrow. In the absence of the superintendent of the ward, Mr. M. Latham, the meeting was called to order, and Leonard Marbury was elected chairman. Mr. Latham was then elected secretary. The following were named to fill the place made vacant by the resignation of Mr. Marbury: F. A. Kerby, Sr., Louis Kraft and John T. Downey. A vote was taken, resulting: Kerby 41, Kraft 27, Downey 3. Mr. Kerby receiving the highest number of votes, was declared the nominee and the meeting adjourned.

THE ST. ASAPH STREET RAILROAD TRACK. The committee recently appointed by the City Council to communicate with the authorities of the Washington and Alexandria Railroad Company in reference to the return of that road to the corner of King and St. Asaph streets, held a conference with Receiver Geo. C. Wilkins, at the office of the V. M. R. Co., in this city, this morning. A very satisfactory conversation was had, and Mr. Wilkins expressed the willingness of the company to resume the running of trains between this city and Washington from the point named if the people owning property on St. Asaph street would manifest a liberal spirit.

POLICE NEWS.—The following have been before the Mayor since Monday last: Thomas Woodhill, a tramp from Richmond, for drunkenness; a young white man also for drunkenness; Sarah Williams, colored, for abusive language; to Sallie Timbers, also colored; Edward Tyler, colored, for disorderly conduct; Wm. Henry Miller, colored, for fighting; and a colored man named Sills, arrested on suspicion of being a lunatic. Woodhill, who had lost his shoes, was ordered out of the city. The young white man and the Williams woman were reprimanded and discharged. Tyler was fined \$5. Miller, upon whose person was found a pistol, was fined \$10. Sills was discharged.

BANQUET.—A sumptuous banquet was given last night at the Concordia, by his numerous friends, Mr. Lewis Stein, an esteemed and popular citizen, who left to-day for Baltimore, which city he will make his future home. The table was beautifully decorated and loaded with all the delicacies of the season, served in the best style. After the removal of the cloth, toasts were drunk and appropriate remarks made by Messrs. H. Strauss, I. Eichberg, R. T. Lucas, M. B. Harlow and others; and to the complimentary expressions of the speakers, Mr. Stein replied in feeling language.

THE ALEXANDRIA CANAL CASE.—The case of the United States against the Alexandria Canal Company was called in the United States Court, Judge Hughes presiding, this morning. A motion was made by counsel for the company for a continuance. After arguments by Corporation Attorney K. Kemper, Judge Charles E. Stuart and John M. Johnson, esp., in favor, and Gen. Wells, for the United States, against the motion, the Court continued the case till the 19th of September.

DEATH OF AN OLD LADY.—Mrs. Fanny Noyes, an old and esteemed lady, over ninety years of age, mother of Mrs. Charles Whitley, died at the residence of her daughter, on Prince street, early yesterday morning, after a long illness. The remains, morning after a long illness, were taken to the funeral service, of Washington, by Rev. Mr. White, on Monday morning for interment in the City.

CITY COUNCIL.—The City Council will hold an adjourned meeting to-night to receive the report of the Committee on Streets on the upper Cameron street improvements. After talking on action in regard to the new grade of that portion of the street, which is complained of by the property owners along the square (between Henry and Patrick), the Council will probably adjourn till October or November.

CONTRACT AWARDED.—The Committee on Public Property met at the Auditor's office at twelve o'clock to-day and opened the bids received for painting the outside of the market building. The contract was awarded to R. H. Radd & Bro. for \$2,439. There were only two other bids, Mr. Hobson \$439 and T. L. Monroe \$284. The work will be done during the recess of the City Council.

SURRENDER OF OFFICE.—On Saturday morning last, Mr. Richard L. Carne, late City Superintendent of Public Schools, surrendered the office with its records, etc., to his brother, Mr. Wm. F. Carne, the newly appointed Superintendent, who will henceforth transact all business pertaining to public schools.

BASE BALL.—The first nine of the Alexan-

dria Base Ball Association will play the Nationals from Washington here to-morrow at 4 o'clock. Seats will be placed on the ground for accommodation of the public. A very fine game may be expected.

DROWNED.—Capt. Frank Dixon of the schooner George Lewis arrived here to-day and reports that Mate William W. Pearson, of that vessel was drowned in Chesapeake Bay on Friday morning last, June 30. The schooner Lewis was bound from Baltimore to Wicomico, and during a comparative calm on Friday, Mate Pearson was taken sick and while leaning over the rail he lost his balance and fell, and though a small boat was at once lowered and sent to his assistance, he sank just before he was reached. Mr. F. was a native of this city, but had been absent about eight months. He was a young man, but twenty-eight years old and leaves a large number of friends and relatives to mourn his death.

HOW THE DAY WAS CELEBRATED.—The Fourth of July was generally observed in this city yesterday. The Postoffice kept Sunday hours and all the other federal offices, the Corporation offices, the Corn Exchange and the business houses were closed. A good deal of powder was expended, but, strange to say, there were no accidents of any kind. Notwithstanding the inclemency of the weather, the different excursions from this city were largely attended. The day passed off quietly, and there were few arrests by the police for drunkenness or disorderly conduct.

LOCAL BRIEVITIES.

The Committee on Light of the City Council will meet to-night at seven o'clock.

Temple Lucas, colored, has been committed to jail by the Mayor as a lunatic.

Ernest Sullivan, the little boy run over by a hand car, on Union street, Monday last and badly injured, is improving.

The regular monthly meeting of the Columbia S. F. E. Company will be held to-night.

Semi-annual dividends of 3 per cent. have been declared by the First National and German Banks of this city.

The weather to-day has been bright and pleasant and Fourth of July excursionists are wondering "why it couldn't have been the same yesterday."

Mr. Will Berkeley left here this morning for New York to take a position on the engineer corps of the New York and West Shore railroad at a salary of \$1200 per year.

On account of the inclement weather the races at Leesburg were postponed yesterday, and as will be seen by advertisement elsewhere, will take place to-morrow.

Mr. Joseph Hopkins, of this city, has just completed plans for a handsome residence for P. Mitchell Christian, esq., of Annapolis.

Mrs. Rosa Vaccari, an old and esteemed lady, who has been dangerously ill for some days, was, her many friends will be glad to learn, much better to-day.

City Treasurer Harlow was busy to-day paying the past six months' interest on the corporation debt. The full amount of interest to be paid is over \$20,000.

As will be seen by an advertisement elsewhere in to-day's GAZETTE the Washington and Western Railroad Co. will run an excursion train to Leesburg to-morrow to accommodate all who desire to attend the horse races to take place there.

Mr. John R. Edelen, formerly of this city, but now of Barnesville, Ga., was married in the latter place on June 28th to Miss Nettie Fryer. The many friends of Mr. Edelen here wish him and his bride much happiness.

Mr. John Swift, who lives on the Maryland shore, opposite this city, brings to market every Tuesday, Thursday and Saturday three varieties of delicious raspberries which he has succeeded in bringing to perfection.

Charley Shuman, son of Mr. Frank Shuman, trod upon a broken glass bottle lying in the street Monday last and dangerously cut his foot. The practice of throwing glass of any kind in the street is much complained of by owners of horses.

Among those present at the United States Court, which met in this city to-day, as counsel in the case of A. G. Williams vs. Robertson and Mary, trustees, and others, to come up to-morrow, were Messrs. Maguire, of Richmond, and Marge, of Lynchburg.

There is nothing like a Fourth of July night excursion for courting purposes. Those who were out of the business spent last night on the Arrowsmith on her way up to Piney Point watching those who were in the business, and a very pleasant past-time it was, too, according to the reports.

A large number of sail boats containing excursion parties were caught out in the river in the rain yesterday, and their occupants were "drenched." One boat containing men only, capsized during a heavy gale. Another boat was forced to put in to Reed & Co.'s wharf, and the party, men and women, had to partly disrobe to facilitate the drying process.

J. W. Dyer & Co., 23 south Royal street, have just received and offer for sale a fine assortment of salt water trolleys; also crabs and clams. Give them a call and get the worth of your money.

RIVER TRADE.—Inspector G. W. Hawxhurst reports the following arrivals at the river front: Schooners Maggie, Myers, and Marge; Mary Van der Ghorst, Hayre de Grace, with coal for T. J. McHaffey & Co.; Geo. E. Bowdoin, Phillips Master, New York, with grain for W. A. Smoot; Kate, Dillon master, with wood for T. J. McHaffey & Co.; Ruth Shaw, Brower master, Gardiner, Me., with ice for F. A. Reed & Co.

AN ILLUSTRATED GUIDE.—The authorities of the Virginia Midland Railway Company have shown good taste and commendable enterprise in issuing an illustrated guide for excursionists to many points of interest along its main line and connections. Short sketches are given of many famous places in Virginia, and the illustrations are in a style at once correct and pleasing to the eye.—Baltimore Sun.

The "festivities" of yesterday were marred by the rain; but it was a "glorious day" for the corn.

Ladies and all sufferers from neuralgia, rheumatism, and kindred complaints will find relief in Dr. J. C. Milburn's "Pain Expeller."

POTOMAC FAMILIES.—JOHN & JAMESON, 121-123 Prince street, early yesterday morning, after a long illness, were taken to the funeral service, of Washington, by Rev. Mr. White, on Monday morning for interment in the City.
